

### Description

With its stylish design and quiet operation, the **Vista™ EZ** media station is at home on the desktop or in the conference room. The **Vista EZ** is a H.323/IP videoconferencing system designed to plug into your Internet Protocol (IP) network through a Local Area Network (LAN). In the VTEL tradition, the **Vista EZ** is a videoconferencing system with an integrated Windows® PC. Use familiar PC tools and applications in a video call or out of a call.

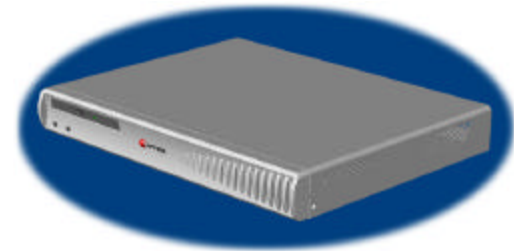

**Vista EZ** includes the videoconferencing codec, integrated Windows XP or Windows 2000 PC with Local Area Network (LAN) connection, VTEL videoconferencing software, CD-ROM drive, two available USB ports, pan-tilt-zoom video camera with wide range pan/tilt head and an integrated 10X auto focus lens with a 40X zoom ratio, omni-directional microphone, and QuickTouch wireless hand-held remote control.

### Applications

- Videoconferencing for a small conference room or classroom, small office or home office, or an executive desktop
- Meetings and distance learning sessions for corporations, government agencies, and other enterprise organizations
- Distance learning for K-12, colleges and universities, continuing professional education and training

### Benefits

- High-quality audio and video conferencing with integrated Windows XP or Windows 2000 PC
- Sits on a table-top, desk-top, or standard rack-mountable shelf
- Includes easy-to-use, wireless, hand-held remote control cleverly designed with an integrated PC keyboard
- Support for displays such as plasma, LCD, projector, XGA/VGA computer monitor, or S-Video television monitor (NTSC or PAL)
- Use familiar PC tools while in a call or use the system as a powerful multimedia presentation system for your local audience outside of a call
- Supports H.323 (Internet Protocol)
- Use of powerful VTEL tools for sending slides
- Standard warranty is 3-year parts (15-day return to factory) and 3-year VTEL-authored software

**\*\*Pan-Tilt-Zoom camera, microphone, and QuickTouch wireless handheld remote control are included but not shown.**
